United Kingdom Distributors & Approved TNC Retrofitters

DIGITAL READOUTS : ENCODERS : CNC PROBES : TNC UPGRADES

We at HEIDENHAIN are committed to a highly trained network of regionally based distributors.

The Distributor Network specialise in offering sales and service on our retrofit products, including Digital Readouts, CNC probes and TNC upgrade packages.

Encoder Distributors have particular expertise in matters relating to Rotary Encoders, including encoder service and encoders in motion control applications.

Our Distributors undergo training at HEIDENHAIN (GB) on a regular basis and work closely with HEIDENHAIN (GB) on technical matters.

The approved TNC retrofitters provide a choice of companies who have demonstrated their ability to integrate HEIDENHAIN TNC control systems to an acceptable standard on customers' existing machines.

Should you have any questions regarding our distributors or the companies indicated as approved TNC retrofitters, please do not hesitate to contact us.
